

2013-09-27**Recommendation Letter for Victor Marincus****To whom it may concern,**

Over the past 1.5 years, I have been in touch with Victor Marincus on a regular basis. Victor is Support Engineer at Schneider Electric's support center in Prague.

Victor helped me out on many support cases during the above mentioned period, for which I'm very thankful. I'm impressed by:

- his professional attitude dealing with customers
- his analytical skills and technical expertise
- the speed with which he handles support cases
- his ambition and eagerness to continuously acquire additional expertise and new skills

Note: DAC is System Integrator for the power meters and power monitoring software developed and sold by Schneider Electric. DAC is mainly active in Belgium and the Netherlands.

Sincerely,

Daniel Aerts,
Msc El. Eng.
