Re: Victor Marincus

To Whom it may Concern

We have had the benefit of Level three support on more than one occasion from Victor Marincus. On each of these occasions we have found Victor to be extremely proficient in providing our support requirements. He is a good listener and as such understands our requirements and those of our clients. He responds promptly with full and complete information. We have found him to be extremely knowledgeable and competent in all aspects of his duties.

We would have no hesitation in recommending him for any position that he may apply for.

Yours Faithfully
